

A medical doctor, Model and an entrepreneur and working in pharma industry from past 16 years with clinical research experience. She is a mother to triplets Veda, Mantra and Shlok .

Her Pageants :

Mrs India International 2025

Mrs India Classic 2020 (winner)

Mrs Mangaluru 2019 (1st RU)

Future plans

To represent India not only on stage but on jury panels, panel discussion and international forums. Save the girl child as global advocacy campaign. To grace fashion weeks both India and globally.

"My dream is to stand on the TEDx stage, because I believe my journey as a doctor, a mother of triplets, and a queen carries a message worth spreading — that every woman can rise from challenges and transform them into opportunities.
